Every year the Harpenden & Wheathampstead District Gang Show is a special occasion, but this year being the Queen's Silver Jubilee it is something extra, with original items specially written for the Gang. For the Harpenden Gang Show is not only one of the surviving Gang Shows in the country, but has also for many years been one of the most successful.

This continuing success is, to a large extent, due to the enthusiasm and hard work of all those involved, not only in actually performing the Gang Show but also in the tremendous amount of work done in preparation for each year's performance.

I trust that those who see the Gang Show will enjoy it and give the performers the encouragement they deserve, that the Gang Show will continue to prosper, and that when the time comes for the Golden Jubilee celebrations, the Harpenden Gang Show will still be there to play its part.

The new Ford Cortina L

A well equipped car that's
built to last

The new Ford Cortina L has more built-in equipment than ever. But even more important today, it's a thoroughly well-engineered car with features like Variable Rate rear coil springs that improve the ride and handling, the advanced Sonic Idle carburettor that contributes to economy, and the tough acrylic paint finish for good looks and durability.

You can see the new Cortina L at our showrooms now. Why not drop in and we'll give you the full story.
