Personal service ensures satisfaction

We welcome you all most heartily to this the 32nd Gang Show which we believe is the longest-running Show in the county.

This continuity is an indication of the way that, while so much changes about us, the Scout Movement is still a stable influence, playing an important part in the lives of the young people of Harpenden.

What is particularly pleasing as the years roll by is the way that brothers and sisters follow other members of their families into the Show.

And even more satisfying is the number of youngsters in our 1981 Gang Show whose parents before them were once members of the cast.

Long may this family involvement continue—and long may you all continue to join us to enjoy in song and dance, in music and comedy the fruits of months of hard work by the cast and production team.

A stylized, handwritten signature in black ink, appearing to read 'H. Brook'.

Harpenden Gang Show Committee

PUTTERILL'S

TIMBER!

As Timber Merchants we are happy to supply you with the best possible wood, be it softwood or hardwood.

Here in the racks of our DIY Centre we offer you the sizes and lengths that you are more likely to need, but if you prefer you may leave your precise cutting list and we will have it cut and prepared exactly as required.

Naturally this service takes a little time and costs a little more, but any order can be prepared for collection within seven days at an extra 10% on our usual prices, plus any wastage involved in cross-cutting to your lengths.

Why not call in to our DIY Centre and talk to our staff about this service, or any other timber or DIY problem that you may have.
