WELCOME

From our Committee Chair

What a couple of years it's been - a time like no other. We've all had to adapt, learn to live our lives in different ways and just get through as best we can. None more so than our youngsters, with a massive amount of disruption to their normally structured lives. Home schooling, cancelled exams, 'bubbled' learning, no hobbies, separation from their friends ... and never knowing what is round the corner and yet they have all been brilliant - resilient, agile and a real credit to all of us!

And we hope that in part that resilience and adaptability has been helped by the experiences that we give them. Scouting is one of the very best of those and there is no doubt that the Gang is so happy to be back together, having the very best time and making friendships and memories that last a lifetime.

Thank you to every single person who helps makes this incredible Gang Show experience happen for our children. You are all amazing.

Now sit back and enjoy: applaud, cheer, laugh and cry. The Gang has been away too long.

INTRODUCTION

From our District Commissioner

I am so pleased to be able to welcome you back to the annual highlight that is our District Gang Show.

Scouting has had to adjust and adapt a lot since March 2020 but, throughout it all, I was confident that it would grow bigger and stronger as a result. As you will see from the District Review, activities continued throughout the year: sometimes on Zoom, sometimes virtually at home with family involvement, sometimes in small groups and, in the autumn, back in large groups and with a renewed vigour. Through the hard work of our adults, and the superb positivity of our young people, the number of members involved in Scouting within Harpenden, Wheathampstead and Kimpton is even higher today than it was in March 2020.

With theatres closed across the country, not surprisingly our Gang Show was impacted in January 2021, but many of those who started rehearsing in late 2020 have returned bigger and stronger too and I know will put on a wonderful show for you today. My thanks go to every one of the Gang for their resilience in trying their hardest to put on a Show in 2021, and for applying their energy to the challenge of a new venue this year.

Please show your thanks today by filling this auditorium with your loudest cheers and applause for our Gang.

INSPIRATION

From the Producer

"The show must go on!" has been our maxim this year. To be fair, it was the same last year, but in a fraught period of uncertainty it just wasn't possible. At the time of writing Scouting went back to yellow Covid alert, meaning that rehearsals were still viable, but with mask-wearing. Not ideal, but we are nothing if not tenacious, and here we are!

There is a tinge of sadness about no longer performing in our home since 1949, Harpenden Public Halls, but that is attenuated by the excitement of moving into a brand new home, the Eric Morecambe Centre. It has to be said that, while the front-of-house facilities are splendid, the backstage team has had to adapt in order to overcome the shortcomings that have become ever more apparent as we near Show week.

The late Ralph Reader CBE, founder of Gang Show, wrote in one of his songs: "We've been making memories for a long, long, long, long time. It's a lovely thing to do and we've made them all for you."

Those memories started back in October 1949, our original Show, but the very first London Gang Show happened in October 1932. 2022 marks 90 years of Gang Show, and a celebrational national show, featuring cast from 40 Gang Shows around the UK, will take place at the Eventim Apollo, Hammersmith on 9th July. Becca and I are privileged to be in the production team, and twelve members of our Gang (eight from past Shows and four from this) have been selected to take part. Tickets are on sale now to see Harpenden and others "live at the Apollo!"

I first trod our Gang Show's boards 50 years ago, and the "annual miracle" is still a thing to behold. This year we have 129 excellent young people on stage ready and waiting to wow you with their talents. The Show will be memorable for all sorts of reasons, but it's the fun and friendship that we all have that will stick in my mind, as happens every year. Enjoy yourselves.

RELOCATION

A whole new theatrical world

It's finally happened! You are sitting in the Eric Morecambe Centre (EMC), the brand new venue for the Harpenden and Wheathampstead District Gang Show! Due to the pandemic we did not get to say goodbye to the Public Halls in our postponed January 2021 Show, but we are delighted to be in this glamorous new theatre now.

If you did not know, the EMC has been created from the town's old sports centre, which was built in 1975. The auditorium used to be the main sports hall where five-a-side football was played and gymnastics clubs were held. The squash courts and gym and dance studio have disappeared to become comfortable spacious changing rooms and the foyer.

Compared to the Public Halls, which were built in 1938 and have hosted the Gang Show since 1949, the new auditorium can fit more seats – 511! - although if you are eagle-eyed and quick at counting you will spot that we have reduced that to a maximum of 442 so we can fit in our wonderful orchestra and arm-waving Musical Director.

We hope you have tried at least one of the two new bars, are enjoying the comfortable seats and will soon sample the (not to be underestimated) delights of ample, modern toilet facilities. There's even a lift!

As you exit the theatre tonight, just to the right you will see the rather lovely wood-clad sports centre and swimming pools, which were completed as part of the project to revitalise the facilities in Rothamsted Park.

We hope you enjoy the Show, and make the most of the wonderful new facilities!

DOUBLE PREPARATION

So good we rehearsed it twice

Usually the Show takes ten months of preparation but this one took a bit longer! The 72nd Show was quietly hatched in March 2020 and rehearsals began in September 2020, but they soon had to be stopped and the January 2021 Show postponed. However, rehearsals for the 72nd Show restarted in September 2021 and here we are!

THE BIG INTERVIEW

Our Head of Scenery

David Keen heads up the team of about 11 volunteers who design and paint the Show's fabulous scenery. David's journey began in 1962 as a Scout with 3rd Harpenden Scouts, and then he tried his hand again in the 1980s, finally taking over from John Hudson in 1990.

This year the team has a whole new challenge – a new stage!

After so many years at the Public Halls, how will the new stage differ?

David: Although the new theatre is amazing, there are many differences onstage, so we have had to think hard about the new set up.

There isn't a curtain track for our hand painted backcloths so we are planning to bring a curtain track from the Public Halls and we will hang the backcloths from that.

Also, the new stage is quite noisy so we will have to be extra quiet when moving scenery, and tiptoe even more than usual! You will also notice that the aprons (the wings that used to protrude out from the stage and around the orchestra) no longer exist so the Gang will be arranged in a brand new way.

My philosophy is that the scenery is there to support the amazing young cast's efforts so even if it ends up being very different, it's secondary to the Gang on stage.

Why did you get into scenery painting – are you a trained artist?

David: I am definitely not a trained artist – I used to be a head teacher and I've never taken an art exam! I was always too shy to go on stage when I was a teenager, so helping to paint scenery was my way of getting involved in the fun of Gang Show.

Scenery is now my creative outlet! I know that the scenery might not be perfect but it's all hand painted and it gives a unique look and feel to the Show.

I love being part of the Show – my grandson is in the Show again this year and that makes it even more fun for me.

What do you and your team do?

David: On Sundays, usually, from the end of October, you will find us painting in a Scout hut in Harpenden.

We normally paint 4 or 5 backcloths and 8 flats, although this year might be different depending on what is needed.

I start by creating scale sketches, which then get chalked onto the canvas backcloths. After a few adjustments we set about painting with special stage paint that is tough enough to endure rolling and unrolling during the Shows. Each backcloth takes 15 hours of painting.

As well as painting, the team of Pete, Colin, Rebecca, Sam, Sue, Trevor, Richard, Adam, Marianne, Kit and I are also the scenery crew for Shows, moving and holding scenery and props. You really get to soak up the excitement and atmosphere during performances!

Do you need more volunteers?

David: Yes! We would love Explorers and Scout parents and carers to get involved. Some of the team have given years to scenery and we must retire one day! You need no special skills except for enthusiasm and a love of the Show, just remember not to wear your good clothes! We are a team that positively includes a wide range of abilities and capabilities.

If you want to find out more about being part of the Show, please email David at davidkeen100@talktalk.net.

PARTICIPATION

On the Crest of a Wave

We're riding along on the crest of a wave
And the sun is in the sky
All our eyes on the distant horizon;
Look out for passers-by.
We'll do the hailing,
While other ships are round us sailing
We're riding along on the crest of a wave
And the world is ours.

Thank you to The Scout Association for permission to reproduce the words to Ralph Reader's famous songs

Together

Together, when we're all together
We know how lucky we are.
The world around us is everything
The sound of music, the songs we sing
And even from the coldest winter
The warmest summer arrives.
We share together, when we're together
The best years of our lives.

EXCAVATION

Digging into the archives

Thanks to the careful work of our Gang Show archivist, you can find past programmes, films and photos online in the "About Us" section of our Gang Show website at www.harpendscouts.org.

Many of the old programmes need delicate handling so electronic copies have been uploaded onto the website. You can look right back to our first Show in 1949!

We have around 7,000 photos in the archive, with older photos being scanned and saved digitally. We have complete photo collections since 2002, but there are many gaps and we would love to hear from you if you have any older photos.

We have copies of Shows from 1995 up to the most recent Show, some of which have been copied from old VHS tapes.

Can you help?

Next time you climb into your loft or dust off that old box of prints, if you are willing to lend us any of the following, Rod Keen would be delighted to hear from you at rod.keen@harpendscouts.org.uk:

Gang Show photos from 1949, 1950s, 1960s, 1970s, 1980s, 1990s

Gang Show film from before 1995 – even cine film and VHS

Any photos of Harpenden & Wheathampstead District Scout events are also gratefully received. The archive can be viewed at www.harpendscouts.org.uk in the "About" section.

We will always treat your old photos and films with care and we will make arrangements to return them to you once they have been copied.

We look forward to hearing from you!

- Beaver Groups are called Colonies
- There are around 280 Beavers in the District

Highlights of our year across the District

From meeting lambs, building dens at home and making scarecrows to rafting and water games, night hikes complete with UV facepaint and torches. It's been a packed two years for Beavers.

cubs

- A Cub Pack is usually organised into small groups called Sixes with each Six named after a colour
- Cubs wear a green sweatshirt with their Group's scarf
- There are around 350 Cubs in the District

Highlights of our year across the District

Cubs spent time on the water paddleboarding and kayaking. Other activities included climbing, building shelters and competing in their own Olympic Games.

SCOUTS

Fact sheet

- Scouts are aged 10^{1/2} - 14
- A Scout Troop is usually organised into small groups called Patrols, each headed up by an older Scout called a Patrol Leader
- Scouts wear a teal green shirt, navy blue activity trousers, a Group scarf with a woggle and a Scout belt

Highlights of our year across the District

After adopting a care home Scouts competed with residents to grow the tallest sunflower. The regular cannon-racing event resumed along with archery, off-road biking and many many camps both close to home and across the UK.

EXPLORERS

A group of five young people, likely Explorers, are walking away from the camera on a grassy, hilly path. They are wearing outdoor gear, including backpacks and hats. The landscape is a vast, open moorland with rolling hills under a cloudy sky.

- Explorers continue to enjoy being outdoors, and developing their life skills through new activities, but are involved much more in planning their own evening activities
- Explorers wear a uniform of a shirt and a Unit scarf
- There are around 135 Explorers in the District

Highlights from our year across the District

Aside from online meetings during lockdown, activities included leaders sending a photo for individuals to walk or jog to find during the week to get outside and keep fit. Units have found time to go on camps in 2021, with particular mention to those who went trout fishing and ate their catch!

Active Support

Fact sheet

- Scout Active Support allows adults to give their time to Scouting on a flexible basis. People can still be involved in Scouting without the full-time commitment of being a leader
- There are currently 200 warranted leaders in the District and just over 100 active helpers

Scouting hasn't stopped over the past 24 months, thanks to the adults who have given their time. This Review highlights the activities that took place at home when our Beavers, Cubs, Scouts and Explorers couldn't meet face to face. Notable mention goes to the many nights spent under canvas in gardens across the District.

We are always pleased to welcome new faces, so if you would like to get involved, no matter how little time you have to offer, please get in touch via our website: harpendscouts.org.uk
